## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-9, 11-15, 17, 18, 21-30, and 32-35 are allowed.

The following is an examiner's statement of reasons for allowance:

Independent claims 1, 13, 15, 17, 18, 22, and 34 require generating respective masking thresholds from the logarithmic masking components using a masking function of the form  $\nu f = -17 * dz, 0 \leq dz < 8$ . Asbar disclose a masking function may be limited to upward masking, but do not disclose or suggest discarding the second term for positive values of  $dz$  less than 8.

Regarding independent claims 5, 21, and 26, as indicated in previous Office Actions, the prior art of record does not disclose or suggest approximating the logarithmic function according to the claimed function.

Regarding independent claims 8, 14, 29, and 35, as indicated in previous Office Actions the prior art of record does not disclose or suggest generating the global masking threshold according to the claimed function.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
